

DAY 2: 17th February 2018

SPECIAL LECTURE

IASL (International Association for the Study of Liver)

Presidential Lecture:

“How to write and submit a paper: an editor’s tips”

(8:00 – 8:25)

Chairpersons

KwangHyub Han

Kyaw Soe Tun

K. Rajender Reddy

Speaker - Samuel Lee (Canada) (IASL President)

SESSION 1: HEPATITIS C VIRUS (HCV) SESSION

Chairpersons

Zaw Lynn Aung

OidovBaatarkhuu

Tawesak Tawandee

Time	Topic
8:25 to 8:45	Current HCV treatment in 2018 Jean Michel Pawlotsky (France)
8:45 to 9:05	Management of HCV in special populations Norah Terrault (USA)
9:05 to 9:25	Management of HCV/HBV and HCV/HIV co-infections Graham R.Foster (UK)
9:25 to 9:45	Elimination of HCV in 2030 - Facts or Fictions K. Rajender Reddy (USA)
9:45 to 10:05	HCV Therapy - What’s next after post-therapy SVR? Daniel Dhumeaux (France)
10:05 to 10:15	Q & A

10:15 to 10:25 – Morning Tea Break

SESSION 2: HEPATITIS B VIRUS (HBV) SESSION

Chairpersons

**Wattana
Sukeepaisarnjaroen**

Naomi Khaing Than Hlaing

Yan Lynn Myint

Time	Topic
10:25 to 10:45	Optimal management towards cure of HBV Diana Alcantara Payawal (The Philippines)
10:45 to 11:05	HBV and HCC F.Blaine Hollinger (USA)
11:05 to 11:25	Dilemma on discontinuation of anti-HBV therapy Teerha Piratvisuth (Thailand)
11:25 to 11:45	New Therapies for HBV Seng Gee Lim (Singapore)

11:45 to 12:05	Novel Immunotherapy of HBV Sheikh Mohammad Fazle Akbar (Japan)
12:05 to 12:15	Q & A

KEY NOTE LECTURE - HEPATITS E VIRUS INFECTION
(12:15 to 12:40)

Chairpersons

Khin Maung Win

Myo Lwin Nyein

Speaker – F.Blaine Hollinger (USA)

LUNCH SYMPOSIUM
HCV THERAPY IN THE ERA OF DAAS
(12:40 to 13:10)

Chairpersons

Win Naing

Michael Charlton

Thin Thin Nwe

Speaker - Jean Michel Pawlotsky (France)

SESSION 3: HEPATOCELLULAR CARCINOMA (HCC) SESSION

Chairpersons		
Htun Htun Oo	Abraham Shaked	Khin Maung Win

Time	Topic
13:10 to 13:30	New biomarkers for the surveillance and diagnosis of early HCC KwangHyub Han (Korea)
13:30 to 13:50	Update in Surgical Management for HCC Pierce Chow (Singapore)
13:50 to 14:10	Novel management of Advanced HCC Kudo (Japan)
14:10 to 14:30	Role of Radiotherapy in management of HCC JinsilSoeng (Korea)
14:30 to 14:50	Shall we do liver transplantation beyond Milan Criteria? Kim M.Olthoff (USA)
14:50 to 15:00	Q & A

**NAFLD AND NASH PANEL DISCUSSION SYMPOSIUM
STAGE-SETTING TALKS**

Time	Topic
15:00 to 15:15	NASH- a global view of the problem ArunSanyal (USA)
15:15 to 15:30	Current assessment and treatments of NASH Michael Charlton (USA)

PANEL DISCUSSION

(15:30 to 16:00)

Moderators

ArunSanyal

Michael Charlton

Panelists

- Mary Rinella (USA)
- *Lawrence Serfaty (France)*
- William Alazawi (UK)
- Laurent Castera (France)
- Laurentius.A. Lesmana (Indonesia)
- VelimirLuketic (USA)
- Tint SweLatt (Myanmar)
- Kyaw Soe Tun (Myanmar)

16:00 to 16:10 – Coffee Break

SESSION 4: FIBROSIS AND CIRRHOSIS OF LIVER SESSION

Chairpersons		
Win WinSwe	AnuchitChutaputti	KoKoLwin

Time	Topic
16:10 to 16:30	Pathogenesis of hepatic fibrosis KArianeMallat(France)
16:30 to 16:50	Non-invasive assessment for hepatic fibrosis Laurent Castera (France)
16:50 to 17:10	Reversion of hepatic fibrosis Anil Arora (India)
17:10 to 17:30	Treatment or prevention of hepatic encephalopathy Barjesh Chandar Sharma (India)
17:30 to 17:40	Q & A

**STATE-OF-THE-ART LECTURE
LIVING RELATED LIVER TRANSPLANTATION**

(17:40 to 18:10)

Chairpersons

SheinMyint

Tin Tin Mar

Michael Charlton

Speaker - Abraham Shaked (USA)

POST-CONFERENCE LIVER TRANSPLANT WORKSHOP

Organized by

Myanmar GI and Liver Society and University of Pennsylvania

(18.2.1018) (8am to 1 pm)

Course Director - Abraham Shaked (USA)

Resource Persons

K. Rajender Reddy (USA), Michael Charlton (USA), Kim M.Olthoff (USA)

Special Invited Guests

- BalachandranMenon (India)
- VivekVij (India)
- Tom Cherian (India)
- AnandKhakhar (India)
- Prema Raj (Singapore)
- K KMadahavan (Singapore)
- SheinMyint (Myanmar)
- Tin Tin Mar (Myanmar)

PRE-TRANSPLANT MANAGEMENT OF LIVER TRANSPLANT CANDIDATE

Time	Topic
8:00 to 8:20	Infrastructure and training for transplant program Abraham Shaked (USA)
8:20 to 8:40	How to establish deceased donor program Kim M.Olthoff (USA)
8:40 to 9:00	How to establish living donor program Mohamed Rela (India)
9:00 to 9:20	Candidate selection and work up Michael Charlton (USA)
9:20 to 9:40	Donor selection: Living VS cadaveric donor A S Soin (India), Subash Gupta (India), Kim M.Olthoff (USA)
9:40 to 10:00	How do we keep the cirrhotic alive K. Rajender Reddy (USA)
10:00 to 10:20	When to delist Michael Charlton (USA)
10:20 to 10:40	Managing renal dysfunction in the patient before and after liver transplantation Arun.Sanyal (USA)

10:40 to 11:00 – Morning Tea Break

IMMEDIATE POST TRANSPLANT MANAGEMENT

Time	Topic
11:00 to 11:20	Early post-operative care and complications Kim M.Olthoff (USA)
11:20 to 11:40	Managing primary non-function and delayed function Abraham Shaked (USA)

LONG TERM POST-TRANSPLANT MANAGEMENT

Time	Topic
11:40 to 12:00	Post-transplant management of immunosuppression Abraham Shaked (USA)
12:00 to 12:20	Long term issues in the recipient K. Rajender Reddy (USA)

Members of International Scientific Committee

- Samuel Lee
(President, International Association for the Study of Liver – IASL)
- Daniel Dhumeaux
(Founder President of Association Française pour l'étude du Foie – AFEF)
- Ariane Mallat
(Current President of Association Française pour l'étude du Foie – AFEF)
- Oidov Baatarkhuu
(President, Mongolia Association for the Study of Liver Disease – MASLD)
- Lim Seng Gee
(Chairman, Singapore Hepatology Conference)
- Teerha Piratvisuth
(Senior Director, Liver and Digestive Institute, Samitivej Sukhumvit Hospital)
- Wattana Sukeepaisarnjaroen
(President, Thailand Association for the Study of Liver – THASL)
- Abraham Shaked
(Chief, Division of Transplantation, PENN Transplant Institute)
- Kim M Olthoff
(Director, Liver Transplant Program, Division of Transplantation, PENN Transplant Institute)
- K. Rajender Reddy
(Director of Hepatology, University of Pennsylvania)
- Michael Charlton
(President, International Liver Transplant Society – ILTS)
- F. Blaine Hollinger
(Professor of Virology and Microbiology, Hollinger Lab, Baylor College of Medicine)
- Barjesh Chander Sharma
(President, Asian-Pacific Association for the Study of Liver – APASL)
