LIVER PATHOLOGY

Inflammatory liver diseases: new developments, new challenges

With the endorsement of the European Society of Pathology (ESP)

1-2 July 2021, Amsterdam, The Netherlands

Course organisers:

Valérie Paradis (Paris, France)
Christine Sempoux (Lausanne, Switzerland)
Peter Schirmacher (Heidelberg, Germany)
Joanne Verheij (Amsterdam, The Netherlands)

Faculty:

Ulrich Beuers (Amsterdam, The Netherlands)
Joep de Bruijne (Utrecht, The Netherlands)
Otto van Delden (Amsterdam, The Netherlands)
Joost Drenth (Nijmegen, The Netherlands)
Onno Holleboom (Amsterdam, The Netherlands)
Peter Jansen (Amsterdam, The Netherlands)
Jeroen van der Laak (Nijmegen, The Netherlands)
Valérie Paradis (Paris, France)
Cyriel Ponsioen (Amsterdam, The Netherlands)
Peter Schirmacher (Heidelberg, Germany)
Christine Sempoux (Lausanne, Switzerland)
Bart Takkenberg (Amsterdam, The Netherlands)
Joanne Verheij (Amsterdam, The Netherlands)
Sophie Willemse (Amsterdam, The Netherlands)

Programme

Thursday, 1 July 2021

Morning session

- 8.30 - 9.00 Registration and coffee / Welcome
- 9.00 - 9.35 General approach of a medical liver biopsy: a pathologist's point of view
Speaker: Joanne Verheij
- 9.35 - 9.45 How to biopsy: points of view of the radiologist and hepatologist
Speakers: Otto van Delden / Ulrich Beuers

Immune mediated liver diseases

Chairs: Peter Schirmacher and Joanne Verheij

- 9.45 -10.00 Clinical summary talk auto-immune hepatitis
Speaker: Joost Drenth
- 10.00 - 10.15 Biliary diseases
Speakers: Ulrich Beuers / Cyriel Ponsioen
- 10.15 - 10.45 Coffee break
- 10.45 - 11.45 Interactive session on immune-mediated liver disease, with 3–4 clinical cases, digitalized slides and plenary discussion
- 11.45 - 12.00 Summary and future perspectives: role of the pathologist in immune-mediated liver diseases
- 12.00 - 13.00 Lunch break

Afternoon session

Non-alcoholic fatty liver disease and alcoholic fatty liver disease

Chairs: Peter Schirmacher and Valérie Paradis

- 13.00–13.15 Clinical summary talk non-alcoholic fatty liver disease
Speaker: Onno Holleboom
- 13.15–13.30 Clinical summary talk alcoholic fatty liver disease
Speaker: Peter Jansen
- 13.30–14.15 Interactive session on alcoholic and NAFLD, with 2–3 clinical cases, digitalized slides, and plenary discussion
- 14.15–14.30 Summary and future perspectives: the role of the pathologist NASH and ASH
- 14.30–15.00 Coffee break

Viral hepatitis

Chairs: Christine Sempoux and Valérie Paradis

- 15.00.15.15 Clinical summary talk viral hepatitis: overview of hepatotropic viruses
Speaker: Sophie Willemse
- 15.15–16.00 Interactive session on viral hepatitis, with 2–3 clinical cases, digitalized slides, and plenary discussion
- 16.00–16.15 Summary and future perspectives: role of the pathologist in viral hepatitis
- 16.15–16.30 Coffee break
- 16.30–17.30 Workshops in small groups

Artificial intelligence: threat or chance for the liver pathologist?

- 17.30–18.15 General overview of Artificial Intelligence in pathology, followed by debate
Speaker: Jeroen van der Laak

Friday, 2 July 2021

Morning session

Toxic hepatitis

Chairs: Christine Sempoux and Peter Schirmacher

- 9.00–9.15 Clinical summary talk on toxic liver disease
Speaker: Joep de Bruijne
- 9.15–10.00 Interactive session on toxic liver disease, with 2–3 clinical cases, digital slides, and plenary discussion
- 10.00–10.15 Summary and future perspectives: role of the pathologist in toxic hepatitis
- 10.15–10.45 Coffee break

Cirrhosis, terminology, grading, and reversibility

Chairs: Christine Sempoux and Valérie Paradis

- 10.45–11.00 Clinical summary talk dynamics of liver cirrhosis and non-invasive tools
Speaker: Bart Takkenberg
- 11.00–11.45 Interactive session on liver cirrhosis, with 3 clinical cases, digital slides, and plenary discussion
- 11.45–12.00 Summary and future perspectives: the role of the pathologist in liver cirrhosis
- 12.00–13.00 Lunch break

Afternoon session:

Chairs: Peter Schirmacher and Joanne Verheij

- 13.00–14.00 Workshops in small groups
- 14.00–14.30 Final clinico-pathology talk
Speaker: Peter Schirmacher
- 14.30–15.00 Farewell with refreshments
