

**Heathrow Express** is the most direct way to Central London (Paddington) from Heathrow Airport, taking just 15 minutes from Terminals 2&3 and an additional 6 minutes from T5.

### What's on the Heathrow Express?

In 2021, Heathrow Express launched a different fleet of fully electric trains.

On board you find:

- Power sockets throughout the train.
- Toilet facilities.
- 4G enabled Wi-Fi.
- Live flight and rail connection boards.
- Large luggage racks.
- An onboard Sales and Service Ambassador to answer any questions.
- Media Entertainment accessed via your mobile device.

### How frequently does the Heathrow Express run?

Every 15 minutes.

	Heathrow T5 – T2/T3 - Paddington	Paddington – T2/T3 – Heathrow T5
First Train:	05:12	05:10
Service operates at:	12/27/42/02	10/25/40/55
Last Train:	23:53	23:25

\*The Heathrow Express website or app can advise you of any disruption/planned engineering work.

### How do I find the Heathrow Express?

While at the airport you wont see Heathrow Express signs, instead, follow the blue airport signs – Trains to London.

At London Paddington, you'll find Heathrow Express services at platform 6/7.

Delegates of the **International Liver Congress™ 2022** can benefit from a **15%** discount on all full fare tickets in both, Express Class and Business First.

You can access this discount by visiting [www.Heathrowexpress.com](http://www.Heathrowexpress.com) or downloading the Heathrow Express app. Book your direction of journey and date, proceed to check out and enter **ILC15HE** for your exclusive discount.

\*Discount only available on full priced tickets. Advanced fare prices are not eligible for discount. Discount is only available online/app and cannot be used when buying from a ticket machine/member of Heathrow Express staff. Discount code will remain for 3 days after the congress, after which time it will no longer be active.
