

**TUESDAY 7 JUNE, 2022**

<b>Time</b>	<b>Session type</b>	<b>Outline</b>
13.00-14.00	<b>Plenary</b>	<b>Welcome and High-Level Panel</b>
14.00-15.30	<b>Plenary</b>	<p><b>New momentum and high impact through the new WHO Global Health Sector Strategy</b></p> <ul style="list-style-type: none"> <li>➤ This session will focus on presenting the progress in viral hepatitis elimination and the new WHO Global Health Sector Strategy. Presentations around the different Strategic Directions will illustrate country progress, innovations, community voices and what it will take to reach elimination</li> </ul>
15.30-16.30		<b>Lightning talks: oral abstracts of distinction</b> - Advocacy, Awareness and Education Efforts
16.30-17.30	<b>Parallel</b>	<p><b>Hepatitis-free generation: Preventing Mother to Child Transmission</b></p> <ul style="list-style-type: none"> <li>➤ Describing the global burden of mother to child transmission of hepatitis B and gaps in antenatal screening, treatment and infant vaccination</li> <li>➤ Addressing birth dose coverage globally and implementation challenges to birth dose in different settings</li> <li>➤ Recognizing the experience of mothers living with viral hepatitis and challenges they face in accessing services for themselves and for their infants</li> </ul>
16.30-17.30	<b>Parallel</b>	<p><b>From Policy to People: Bringing services closer to communities</b></p> <ul style="list-style-type: none"> <li>➤ Examining collaborations across sectors which effectively translate policies to programs for communities</li> <li>➤ Highlighting different multi-stakeholder initiatives that are improving access to services such as testing and care for people living with viral hepatitis</li> </ul>
	<b>Parallel</b>	<p><b>Leave No One Behind</b></p> <ul style="list-style-type: none"> <li>➤ Exploring the issues which lead to health inequality in term of viral hepatitis</li> <li>➤ Discussing best practice on how to meet the needs of highly affected groups not well served by health systems</li> <li>➤ Learning about the community perspectives regarding the issue</li> </ul>
17.30-18.00		<b>Symposium</b>

WEDNESDAY 8 JUNE, 2022

Time	Session type	Outline
12.00-13.00		<b>Symposium</b>
13.00-14.30	<b>Plenary</b>	<b>A whole system approach to hepatitis elimination</b>
14.30-15.30	<b>Parallel</b>	<b>Hepatitis and Liver cancer: Gaps and Opportunities</b> <ul style="list-style-type: none"> <li>➤ Leveraging links with liver cancer, including cancer prevention efforts to help drive hepatitis elimination</li> <li>➤ Address gaps in global liver cancer surveillance in people living with viral hepatitis and role of innovative diagnostics and treatments</li> </ul>
	<b>Parallel</b>	<b>Fighting stigma and discrimination to achieve social and legal justice</b> <ul style="list-style-type: none"> <li>➤ Looking at the impact of stigma and discrimination globally on people living with hepatitis (PLVH) is often overlooked but is a significant barrier to PLVH accessing care, as well as having serious implications for their mental health. How do we amplify the voices of PLVH and increase our engagement with the global mental health advocacy agendas?</li> </ul>
	<b>Parallel</b>	<b>Hepatitis integration with health systems: Opportunities with Universal Health Coverage, Primary Health Care and HIV Services</b>
15.30-16.00		<b>Lightning talks: Oral abstracts of distinction</b> - Prevention and vaccination
16.00-17.00	<b>Plenary</b>	<b>Hepatitis and the Sustainable Development Goals</b> <ul style="list-style-type: none"> <li>➤ Beyond SDG 3.3, what other SDGs can contribute and play a role in hepatitis elimination?</li> </ul>
17.00-18.00	<b>Parallel</b>	<b>Bridging gaps in hepatitis B care and treatment: bringing science and affected communities together</b> <ul style="list-style-type: none"> <li>➤ Recognize gaps in hepatitis B care and treatment in lower, middle and high income countries</li> <li>➤ Hear patient experience in accessing HBV care and treatment around the world</li> <li>➤ Explore how affected communities can intersect with science to improve care with a lookback on the HIV experience</li> </ul>

		<ul style="list-style-type: none"> <li>➤ Discuss opportunities for guideline adaptability in various settings, patient preferences and values, and the role of simplified and decentralized care to bridge current gaps</li> </ul>
	<b>Parallel</b>	<p><b>Youth Can't Wait</b></p> <ul style="list-style-type: none"> <li>➤ Understanding the experience and needs of young people living with viral hepatitis including the medical and psychological impacts.</li> <li>➤ Defining ways to empower young PLVH to live full and healthy lives and to become advocates for change.</li> <li>➤ Bringing the energy and activism of youth into the VH elimination movement.</li> </ul>
	<b>Parallel</b>	<p><b>Reaching communities that need it most</b></p> <ul style="list-style-type: none"> <li>➤ Learning about public health importance of key populations and viral hepatitis elimination</li> <li>➤ Showcasing best practices in delivering services to key populations</li> <li>➤ Learning about the community perspectives regarding the issue</li> </ul>
18.00-19.00		<b>Symposium</b>
19.00-20.00		<b>WHA 15th Anniversary Party</b>

**THURSDAY 9 JUNE, 2022**

Time	Outline
	<p><b>REGIONAL WORKSHOPS - Agenda TBC</b></p> <p>WPRO: 08.00-10.00            AFRO: 08.00-10.00            EMRO: 09:00-11:00            EURO: 09:30-11:30            SEARO: 10.00 – 12.00            PAHO: 15:00 - 17:00            All times are CET            Agendas TBC</p>

FRIDAY 10 JUNE, 2022

Time	Session type	Outline
12.00-13.00		<b>Symposium</b>
13.00-14.30	<b>Plenary</b>	<b>Financing for hepatitis</b> <ul style="list-style-type: none"> <li>➤ Country led discussion on different innovative and sustainable financing models and the role of commodities in the financing discussion</li> <li>➤ Exploration of what has proven to be feasible, or not feasible, when financing viral hepatitis programmes</li> </ul>
14.30-15.30	<b>Parallel</b>	<b>The role of good data, surveillance, monitoring and evaluation in elimination</b> <ul style="list-style-type: none"> <li>➤ The importance of data, gaps in surveillance and representation, and how a multi-stakeholder effort can lead to better data collection, interpretation and dissemination for a more impactful response</li> <li>➤ Understanding data tools/approaches that VH programs have effectively utilised to strengthen the cascade of care and improve decision-making</li> </ul>
	<b>Parallel</b>	<b>Covid19: Impact and Opportunities</b> <ul style="list-style-type: none"> <li>➤ Understanding how to maximise opportunities the Covid-19 pandemic has created</li> <li>➤ What barriers are there and how do we overcome them?</li> </ul>
	<b>Parallel</b>	<b>Innovations in technology and service delivery</b> <ul style="list-style-type: none"> <li>➤ Looking at new technologies that are currently available and how they can help us better reach people living with viral hepatitis key populations or the general population; explore mechanisms of dismantling barriers to accessing testing and care, including innovations outside the hep space</li> </ul>
15.30-16.30		<b>Lightning talks: highlighting abstracts of distinction - Delivering Innovations to People Living with Viral Hepatitis</b>
16.30-17.30	<b>Plenary</b>	<b>Hep Can't Wait and closing remarks: Release of WHS 2022 statement</b> <ul style="list-style-type: none"> <li>➤ A session reflecting on the human impact on hepatitis, why hepatitis matters and why Hep Can't Wait</li> </ul>

All times are CET
