EASL Village & Poster Area

Track Hubs

- It's time to network! Eight dedicated Track Hubs serve as your meeting point to connect with fellow delegates, face to face. Find your track colour to meet with like-minded experts.
- At lunchtime, don't miss the networking sessions at the Track Hubs to meet with experts and Key Opinion Leaders from various EASL Consortia and learn more about their work. The daily networking programme is available at the EASL Community Hub.
- Is the session room too busy? You can watch selected live and on-demand sessions at the Track Hubs.

About the EASL Village & Poster Area

The EASL Village & Poster Area is located on Level 1.

- Visit the EASL Community Hub to learn everything you need to know about EASL and renew or sign up for EASL membership.
- Join the EASL team at lunchtime or in the afternoon coffee break to do the ILC Membership Quiz and ILC 2022 Challenge.
- Join Faculty for Poster Tours through the Poster Area. Tours will start at the designated meeting points three times per day. Full poster schedule available in the online scientific programme and in the EASL Events app.
- Meet the poster presenters during lunchtime each day to discuss their work.
- Visit the British Liver Trust truck in the EASL Village to take the Liver Health Screener to assess the potential for liver damage against the three main factors of alcohol, obesity and viral hepatitis (Thursday and Friday only).
