

BASL 2022

British Association for the Study of the Liver
Incl BLTG Transplant Meeting and BLNA Nurse Meeting

Queens Hotel, Leeds
20-23 September 2022

BASL2022 will be held at the Queens Hotel, Leeds, and the programme runs from Tuesday 20th September to Friday 23rd September.

The BASL2022 Annual Meeting is the highlight of the BASL calendar where all of us interested in liver disease will share time whether we are clinicians, nurses, basic scientists, pharmacists, allied health professionals, working in industry or students.

KEY NOTE SPEAKERS:

Professor Patrick McKiernan

Professor Neil Henderson

Professor Pål-Dag Line

Dr James Ferguson

**REGISTRATION
OPEN**

**EARLY BIRD DEADLINE
12TH AUGUST 2022**

BASL2022 incorporates 3 separate meetings: the BASL Annual Meeting, BLTG Transplant Meeting and the British Liver Nurses Association (BLNA) Nurse Meeting.

We hope to attract in excess of 500 attendees throughout the week, bringing together clinicians, nurses, scientists and all those interested in liver disease and liver transplantation.
