

## EASL MASLD Guidelines Academy 2026

### Module 1: The basics of MASLD

#### Speakers

Pr Jérôme Boursier, Pr Laurent Castera, Pr Cyrielle Caussy, Pr Anita Paisant, Pr Bertrand Cariou, Dr Sarra Smati-Grangeon

#### Day One – Thursday 27 August 2026

9:00	<i>Welcome Coffee</i>
9:30 – 10:15	Pathophysiology of MASLD (basic level)
10:15 – 11:00	MASLD epidemiology, natural history, and rationale for screening
11:00 – 11:30	<i>Coffee break</i>
11:30 – 12:15	Blood tests for screening/diagnosis: accuracy, and expert recommendations for correct interpretation
12:15 – 13:00	Liver elastography for screening/diagnosis: accuracy, and expert recommendations for correct interpretation
13:00 – 14:30	<i>Lunch</i>
14:30 – 16:00	Practical workshop: training in liver stiffness measurement with elastography devices
16:00 – 16:30	<i>Coffee break</i>
16:30 – 17:15	Non-invasive tests of liver fibrosis: prognostic accuracy and risk stratification
20:00	<i>Dinner</i>

#### Day Two – Friday 28 August 2026

9:00	<i>Coffee</i>
9:30 – 10:15	Non-invasive tests combination, screening pathways
10:15 – 11:45	Interactive workshop: setting up a screening program (working groups, collective restitution)
12:00	<i>Goodbye lunch</i>
